Dear Mrs. Bain

Your letter of information  
duly received and I have  
given Mr. Day your outline of  
the Oliphants and Kilgour as  
written and asked him to arrange  
it as he wishes.

I wrote the Dept of Education  
regarding your grandfather in  
Spectator but to my surprise  
there, where I would expect good  
Parliamentary business. They have  
no record. I shall write again.  
In the mean time I have a  
note written to our County Clerk  
who may give some light on the  
subject. Then (how curiously  
we pick up bits of information  
in the most unexpected places)  
I, a few days ago, when rearranging

some of our archives material  
read over some Esquelt townships  
school histories written a few  
years ago. One paragraph in  
that of S. I. No 5. (which I think  
is <sup>in</sup> Paisley Block district) is as  
follows.

"When the schools were started  
there were no inspectors. In 1887  
Mr. James Kilgour was appointed  
Local Superintendent of Public  
schools and later, Inspector  
for South Wellington. This office  
he held for twenty one years.

I expect a reply soon from  
our County Clerk and if he  
has any more to add to this  
you will hear from me in  
a few days.

Thank you for your  
assistance

Sincerely yours

Ada Currie

P.S. as I do not know your husband's  
initials I shall address letters to you and be  
sure to receive it. The enclosed kindly deliver.  
A.C.
